

Sing with child

Singing with children is a great way to show love and lets them hear new sounds and words.

- Pick baby up and lookin their eyes or rock them while you sing.
- After bathing, wrap baby in towel and cuddle and sing a song.
- Sing songs you know that can show actions like clapping hands, or playing with fingers and toes.
- For older children try counting songs, or nursery rhymes.
- Have fun and sing everyday with baby

Every moment matters
